Dear Sir/ Madam

### Developing the Sports Performer Days

The University of Bath's Department of Sport Development and Recreation would like to invite your students to experience one of our many Sports Performer Days. Over 75 schools from across the country attended last year creating their own bespoke days.

We are available for bookings for visits all year round and each visit is centred on the sporting facilities, programmes and services offered at the University of Bath, English Institute of Sport in the South West.

We would like to invite your school to experience some of the facilities and top level coaching available at the University. The day will consist of activities tailored to the students needs based on the information you provide. We will maintain our service of completing close consultation prior to your visit to enable all the sessions to be applicable and developmental to your particular school group.

The Department is flexible in the structure of the day, ranging from a two hour visit to a five day visit. The day can consist of a selection of the topics listed below or can be a focus upon one topic extended beyond a normal one-hour time period.

The cost will be £4 per student per hour, which will include all lectures; coaching and equipment hire but does not include lunch or travel expenses. **Please note that the booking of a laboratory testing experience is a fixed fee of £100 per hour with maximum group size of 12.** Payment would be in the form of an invoice after your visit. We do require a purchase order number from yourselves prior to the visit which can be sent by email after your request for a visit has been confirmed.
