

## Player Spotlight— Sasha Corbin

**Can you tell us how and why you got into playing netball?** - My mum used to play netball every weekend and I always wanted to play after watching her but like most girls I started playing netball in year 7. To be honest it was the first PE lesson I had ever had in secondary school and with the influence of

my teacher I took netball further.

**Where do you see yourself with regards to Netball in 5 years time and what would you like to have achieved in that time?** - In 5 years time I want to have been a part of the England U21 squad going to the world tournament, been a part of the commonwealth games and World championships for England having won GOLD and played abroad for a season or two to gain experience.

**What do you miss about home? And what do you enjoy about Bath?** - The only things I miss about home are my friends, family but especially my mum's cooking! In bath I love the support system, the family ethos and the jokes you get from everyone.

**On your I-pod right now can you tell us a song that makes you 1) sing out loud 2) dance around in your room 3) makes you get goose pimples 4) one that you turn up really loud?** - On my I-pod the songs I'll turn up really loud are the reggae tunes. I always have to get up and dance to Beyonce – 'Single ladies,' Lauryn Hill always gives me goose pimples and I always sing 'Listen' the Beyonce and Alexandra Burke version.

**If you could invite 4 people, any people to dinner who would they be?** - Definitely Beyonce, I love her and Usain Bolt because, he is a legend,

**I know you and some of the players enjoy the odd fancy dress night— what's been your favourite fancy dress character?** - I must admit I'm not really a fancy dress type person but I have seen the bath girls go all out, my favorite outfit will have to be Serena Guthrie's Sideshow Bob

**If you had to send a message to the Team Bath fans what would you like to say?** - KEEP COMING TO

THE GAMES WE LOVE  
YOUR SUPPORT!!!

**What 5 words would you use to describe yourself and what 5 words do you think others would use to describe you?** - I'd describe myself as: Dramatic, Funny, Entertaining, Bootylicious and Talented— Other people have told me I'm: Entertaining, Talented, Outgoing, Safe and Inspiring

**What characteristic move on court would you say best illustrates your playing style?** - The Jump & Catch to Jump pass. I can't keep my feet on the floor lol!

**If you had to take one thing into the jungle with you what would it be?** - A Solar powered navigation system to get me out because I enjoy my life!

**If you weren't playing netball what sport would you play instead?** - I would be doing Athletics, Heptathlon because I like a bit of everything

**You're a (WA/C) if you had to choose another position what would it be and why?** - GK, because that's where I started, and I played there at the U19's European Championships. I wouldn't have to run as much as I do now lol!

**If you could be the agent of any Sports star who would you choose?** - Usain Bolt simply because he's the fastest man in the world.

**You went to the circus for pre season training this year - tell us about it and what you think you could take from the days training into the season ahead?** - I absolutely nailed the circus acrobatics, I had so much fun, and I now know that my body can twist into some weird shapes! From that day I realised that any team of 20 people can build a human pyramid if they put their minds together.

**How have you enjoyed playing for Team Bath so far and what are you looking forward to most about this season?** - Definitely because of the hard working athletes your around, everyone is striving towards the same goal, the opportunity it has given me to develop as a player and an important part the WINS!!! Looking forward to working hard & winning back the Superleague title 08/09
