Teambath+ and Swim Member Only Session - Mondays: 20.00-21.00

Please note that changes to our High Performance Swimming Programme and the British Swimming programme will have a knock-on effect on the whole programme and unfortunately we will no longer be able to offer the Members Only swim session on Monday evenings from Monday 29th April 2019 onwards. We will continue to review the programme in the coming weeks to see if an alternative slot for this session can be allocated and will keep you fully informed as to our plans but for the foreseeable future we will only be offering standard Swim Fit access.

As part of the modernisation of the swimming pool complex, the changing room facilities have been upgraded to feature a communal unisex area with accompanying individual cubicles for quicker access to and from the pool.

The changing facilities also feature free-to-use lockers which work on a four-digit PIN code system – codes for which are determined and remembered by users themselves.
