FAQ's

What lessons can the Level 2 coaches provide?

The level 2 coaches can only provide a hitting lesson. This involves no technical coaching but provide you with a reliable hit to help you progress.

Do lessons have to be 1 hour long?

30 and 45 minutes sessions may be available on a pro rata payment basis at the discretion of the Coach.

What is the maximum number of players allowed to share a lesson?

2. The cost can be split.

Are lessons the same price indoors as outdoors?

Yes. This is again due to the fixed cost of the Coach.

Do I have to book a court for the lesson?

No. The coach will arrange this for you. The commercial rate for court bookings is £20 p/h.

We believe that both our Coaches and our Centre provide excellent value for money in this marketplace. However, if you have any questions then please do not hesitate to contact the tennis office.
