

# Badminton at the University of Bath

At the University of Bath we offer a combination of academic excellence and the opportunity for aspiring players to develop their talent to its maximum potential.

Performance players based at Team Bath have dedicated training sessions, top class coaching and access to world leading support services all under one roof. We have a proven track record of developing junior and senior international players including University of Bath student and England international Alex Lane, graduate and Olympian Heather Olver and double Olympian Richard Vaughan.

The University offers a wide range of undergraduate and post graduate courses. See [www.bath.ac.uk](http://www.bath.ac.uk) for further information.
