– specifying additional commitments we each agree to make, relating to the COVID-19 pandemic

2. **Changes to facilities and operations**

2.1 Under Covid-19 or other national health or exceptional or unusual circumstances, we reserve the right to make reasonable changes to services such as access, bookings, opening hours and general operations for the protection of customers and staff, and to enable operations to continue as far as possible in such circumstances.

3. Conditions

- 3.1 As a member you agree to abide by these terms and conditions of membership, and the codes of conduct displayed around the sports venues. A membership is personal and may not be transferred across to another person. Memberships are strictly available for people aged 16 and over (other than Junior Swimfit). Upon application, customers may be requested to provide proof of their age or of concession status to validate their membership.

4. Subscription durations

- 4.1 Whilst the annual student membership fee is expressed as a yearly membership, it is calculated on the assumption of term time use only. On this basis, students may not freeze their memberships for term time or vacation periods, nor will any refunds be payable for those periods, except in exceptional circumstances. Students may apply for an exceptional circumstances membership freeze or extension by contacting the membership team.
- 4.2 If non-student/public members anticipate being absent from the Sports Training Village for periods of 1 month or longer, they may apply to freeze their membership in advance of the planned freeze date. We require at least one month's notice before the next payment date (1st of every calendar month) to activate the freeze, and a reactivation date needs to be given upon application. For annual payers, the membership expiry date will be extended by the duration of the freeze. Monthly payers will incur an administration fee of £2.50 for each month frozen instead of their normal subscription charge. University of Bath staff will not be charged for freezes.
- 4.3 If monthly payers wish to make any changes to their membership payment plan including membership type changes, freezes and cancellations, they should notify the membership team directly (in writing) giving at least one month's notice before the next payment date (1st of every calendar month).

5. Cancellations and Suspensions

- 5.1 ***14 Day Right to Cancel after first entering into the agreement.*** If you wish to cancel this agreement you may do so within 14 days, by notifying us in writing of your wish to cancel (you can follow the link to the online cancellation form <http://www.teambath.com/fitness/memberships/cancellations/>).
- 5.2 Members paying on a monthly basis should notify the membership team (in writing) of their intent to cancel, giving one month's notice prior to their next direct debit collection date (1st of each calendar month).
- 5.3 Annual membership payers qualify for a discount on their payment plan and are committed for the entirety of the membership year (except under exceptional circumstances or in the event of a breach of contract on the part of the University of Bath). To this end, cancellation may normally only be made by giving at least one month's notice in writing prior to their membership renewal date.
- 5.4 We reserve the right at any time to cancel or suspend the membership of any member where, in the management's absolute discretion, there has been or is likely to be a

breach of this agreement and in such circumstances no refund of joining fees or membership subscriptions will be made.

- 5.5 As a **UKAD Clean Sport Accredited** institution – any member who is sanctioned with an anti-doping rule violation (ADRV) and issued with a ban will have their membership removed and will be unable to use the facilities. This relates to bans imposed after purchasing membership or if the individual is found to have a pre-existing and current ban.
- 5.6 **Temporary Freeze Facility – see 4.2 above.**

6. **Payment**

- 6.1 **Monthly Payers** – If you have joined on a monthly basis you have entered into a rolling contract with us. You are required to give one month's written notice before your next payment date (1st of every calendar month) should you need to cancel. Please do not cancel your direct debit until we have instructed you to do so. If you fail to meet the final payment, an invoice will be sent to you. If payment is still not made, the balance may be transferred to a debt collection agency.
- 6.2 **Annual Payers** – If you have paid a lump sum, then no refund or part refund will normally be made available if you later cancel the agreement, irrespective of usage (except under exceptional circumstances or in the event of a breach of contract on the part of the University of Bath). If exceptional circumstances apply and you want to cancel your annual membership for that reason, and be considered for a partial refund, we will consider your request (and may ask for evidence to do so). If we agree that the circumstances are sufficiently exceptional, we may make a pro-rata refund to you of any unused proportion of your membership. Notification of renewal will be received during the twelfth month of the membership.

7. **Charges**

- 7.1 Depending on which membership scheme is purchased, use of certain Sports Training Village facilities may be subject to an additional entrance fee.
- 7.2 A list of the current charges into various facilities is available from our website. Where a joining fee is paid no further joining fee is payable on renewal, as long as the membership continues unbroken. If a membership is cancelled, a joining fee may be incurred upon recommencement. We reserve the right to increase our entrance fees and membership charges periodically and will advertise this to our customers giving at least one month's notice of such changes. Therefore, should monthly payers wish to cancel their membership in light of these changes, their required standard written notice of one full month can still be, and will need to be, provided.
- 7.3 For booked fitness classes, free cancellations are available up until one hour before fitness class commencement, after which there will be a £3.30 or £2.80 penalty charge dependent on the class and customer status. Attendance will be recorded automatically when swiping through our access barriers.

8. Guests

- 8.1 Members are responsible for ensuring that their guests are aware of and adhere to the HCS and all other codes of conduct expressed throughout the Sports Training Village.

9. Membership Cards

- 9.1 Each member will be issued with a membership card which must be utilised to access the Sports Training Village facilities.
- 9.2 A '3 strike' policy is in place to ensure that members bring their access cards with them for ease of entrance; additional access charges will be applied if members hit a 3rd strike (£1.50 – please ask Reception for further details). Lost membership cards can be replaced for a fee of £1.50

10. Facilities

- 10.1 A member is entitled to use the facilities during the relevant opening times for each facility. However, we reserve the right to close the facilities where necessary, for any period of time when required for tournaments, exhibitions, galas, sports team training sessions or other activities, or in connection with repairs, alteration or maintenance work. Reasonable notice will be provided for such reductions/withdrawal of facilities. A member may elect to use the Temporary Freeze Facility described in paragraph 4.2 where a specific facility that they use regularly is closed for more than one week and in such circumstances the £2.50 per month freeze charge may be waived.
- 10.2 The gym operates a 'Peak' and 'Off-Peak' timed entry system for staff. Off-Peak staff members have a timed restriction whereby, Monday through to Friday, the last time they can enter the gym is at 3pm. There is no such time restriction for Off-Peak customers at weekends beyond our normal opening times.
- 10.3 Please respect the localised codes of conducts displayed prominently on the walls of the core sports and fitness venues.
- 10.4 In accordance with the HCS members must advise staff of any disabilities or health concerns which may affect or impact on the member's use of the gym/ equipment/ sports facilities, to help avoid accidents, injuries or misadventures to themselves or others.

11. TeamBath+ Memberships

- 11.1 TeamBath+ members pay for access to the core facilities of the Sports Training Village. It is at the discretion of the management to increase or decrease the facilities and services available to this membership group with no overriding consequence to the headline fee. Reasonable notice will be provided for such changes and under the circumstances of significantly decreased facilities the member has the right to cancel.

12. Conduct

- 12.1 Any member whose conduct shall be deemed by us to be improper or likely to endanger the welfare, safety, harmony or good reputation of the facilities, may be reprimanded or have their membership suspended or cancelled by the management. We shall be the

sole judge of what constitutes such conduct. In the event of such suspension or cancellation, no refund of joining fees or annual subscription will be made except in exceptional circumstances.

- 12.2 Members must show consideration for one another, and to staff members, in and around the facilities. In particular, profane or abusive language and threat or the use of violence will not be tolerated. We have the right to prevent entry into the facilities of any member or former member whose membership has been suspended or cancelled. Members and guests should adhere to our policy regarding photography. No unauthorised use of cameras will be permitted throughout the building. To seek authorisation for controlled photographic work, please refer to Reception for details.

13. **Liability**

- 13.1 We will not accept liability for loss or damage to any property or articles placed or left at our facilities by an individual or group (except to the extent that any such loss or damage is caused as a result of negligence or breach of any legal obligation on our part).
- 13.2 We accept no liability in respect of bodily injury, illness or disease except for any personal injury or death due to our negligence. Members should not undertake any physical activity for which they may not be fit and are responsible for monitoring their condition/wellbeing during all physical activity and for taking all reasonable care of their own health, safety and wellbeing. Members or guests undertaking any fitness activity within the gym must have agreed to the Health Commitment Statement (see paragraph 1) and confirmed their physical health and suitability for such activities.
- 13.3 **Gym Welcome Inductions** – Members of the gym and guests are required to complete a welcome induction, either in person with a gym instructor or by viewing our on-line welcome induction film in full (this can be viewed here: <https://youtu.be/HJ-zH3tAYf4>) prior to their initial visit. Such a requirement is necessary, irrespective of the customer's fitness and gym use history. By visiting the gym you confirm that you (and any guests, where applicable) have completed the welcome induction as required above before your visit, and that you have read and agree with the Health Commitment Statement (HCS) referred to in paragraph 1.
