Student Performance

The student performance swimming programme at Bath caters for swimmers seeking to develop their sport – even through to Olympic level – whilst studying at one of the UK's top universities. We are in the world's top 10 for sports degrees.

www.teambath.com

Our Dual Career Programme is designed to support swimmers who want to succeed at sport and in their studies. Scholarships are available to swimmers who have shown potential to do well academically and athletically. Find out more: teambath.com/athletezone/dualcareer

Our Student Performance Sport Programmes are for those competing at both national and international levels and will be competitive at the British Universities & Colleges Sport (BUCS) championships. The programme is underpinned by expert support services including highly-qualified coaches, physiotherapy, sports psychology, sports massage and strength and conditioning.

The University programme, led by expert and experienced coaches Mark Skimming and Andrei Vorontsov, has won medals at the World Championships, World University Games, European and Commonwealth Games and competed at Olympic Games.

We also offer a **Foundation Degree** option, which can be progressed to a full BSc(Hons) option alongside top-class undergraduate and postgraduate degrees across a range of subjects.

Facilities

Our swimming programme is based at the £35 million Team Bath Sports Training Village and facilities include:

- A 50m Olympic legacy swimming pool with an optional 25m wall
- A large, well-equipped gym spread across three floors
- Indoor throws and jumps hall
- A traditional Japanese martial arts dojo
- Studios for mobility, pre-pool and core sessions
- Physio and sport science centre

Our University is set in vibrant Bath, which is a world heritage city surrounded by outstanding areas of natural beauty. If you would like to know more about the wider swimming club visit:
