***Payment Installment Option Explained**

The payments are calculated by the number of sessions within that month. If the session cost is £7.50 and there are weeks in that month, the monthly cost is £30. If the following month there are 3 sessions, the month's cost is £22.50. All payments are taken on the 1st of each month or first working day thereafter. All course bookings paid by Direct Debit installments are subject to a 1 term minimum commitment.
