Student Performance

The student performance judo programme at Bath welcomes competitive judo players with a mind to progress their athletic career in the sport and offers members the opportunity to develop their judo whilst studying at one of the UK's top universities. We are in the world's top 10 for sports degrees.

We also offer a **Foundation Degree** option alongside top-class undergraduate and postgraduate degrees across a range of subjects. Judo also runs a DiSE programme (Diploma in Sporting Excellence).

Our Breakthrough Programme is designed to support athletes who want to succeed at sport and in their studies. Scholarships are available to athletes who have shown potential to do well academically and athletically.

Our Student Performance Sport Programmes for those competing at British Universities & Colleges Sport (BUCS) at a high level, are underpinned by expert support services including high-quality coaching, physiotherapy, sports psychology, sports massage and strength and conditioning.

Our team has approximately 20 athletes training full-time. We compete at BUCS, the Olympic Games and everything in between. Some of the world's top judoka including Olympic medallists Gemma Gibbons and Kate Howey as well as double Olympian Ben Fletcher and 2020 Olympians Megan Fletcher and Prisca Awiti Alcaraz have trained at Team Bath. Gemma Howell, who studied and trained at Bath, went on to become European Champion.
