

UNIVERSITY OF BATH
TEAMBATH™

Netball

Student Performance

The student performance netball programme at Bath offers players the opportunity to develop their sport whilst studying at one of the UK's top universities. We are in the world's top 10 for sports degrees.

www.teambath.com

We also offer a **Foundation Degree** option alongside top-class undergraduate and postgraduate degrees across a range of subjects.

Our Breakthrough Programme is designed to support players who want to succeed at sport and in their studies. Scholarships are available to players who have shown potential to do well academically and athletically.

Our Student Performance Sport Programmes for those competing at the highest level of British Universities & Colleges Sport (BUCS), are underpinned by expert support services including highly-qualified coaches, physiotherapy, sports psychology, sports massage and strength and conditioning.

The University provides one of the best holistic playing and training environments in the country and supports athletes to play in the NPL, NSL and internationally. Players like Sophie Drakeford-Lewis and Imogen Allison have recently graduated as students from Bath and have joined more than 150 players who have come through our pathway and onto international honours.

In an average year our club has five teams, around 200 members and we play at the highest level of University sport. The University of Bath has one of the strongest employability profiles in the UK with links to over 4000 employers.

Facilities

Our netball performance programme is based at the £35 million Team Bath Sports Training Village and facilities include:

- 2 large wood-sprung sports halls
- A large, well-equipped gym spread across three floors
- Student Performance Gym
- 8 indoor and 8 outdoor tennis courts
- Indoor and outdoor athletics track
- A 50m swimming pool
- Hockey, rugby and football pitches
- A 3G training strip
- A traditional Japanese martial arts dojo
- Physio and sport science services centre

Our University is set in vibrant Bath, which is a world heritage city surrounded by outstanding areas of natural beauty. For further information about the wider netball club visit: www.theSUBath.com/netball
