# Student Sport at Bath

You can get more  
from being at Bath by  
keeping active, playing sport for  
fun, or representing one of our teams.

[www.teambath.com](http://www.teambath.com) [www.thesubath.com](http://www.thesubath.com)

**Access to many of the sports and activities at our £35 million Sports Training Village is free of charge with your student sports pass and we have great deals on gym and fitness classes memberships. Everyone is welcome and we aim to make your experience at Bath memorable.**

**There are more than 45 student sports clubs, run by students for students, and thriving recreational activities and sports to try.**

**If you're serious about taking your sport to the next level we have coaches and support staff to help you achieve your goals. We already support 1500 students representing sport at Bath in more than 65 British Universities and Colleges Sport (BUCS) teams and at multiple BUCS events.**

## More at Bath

The Team Bath Sports Training Village and Founders Hall (both based on campus) and the nearby Sulis Club provide top-level facilities including:

- Three multi-purpose sports halls
- 8 indoor and 8 outdoor tennis courts
- A 50m swimming pool
- A large, well-equipped gym spread across three floors
- Indoor and outdoor athletics tracks
- Hockey, football, rugby and lacrosse pitches
- A 3G training strip
- A traditional Japanese martial arts dojo
- Studios for fitness classes

We also have expert coaches and support services on site.

## Scholarships at Bath

We offer a number of scholarships to talented students looking to ease the financial burden of attending university by representing Bath in various competitions. Check out our website for more information:

## More than just playing sport

At Bath there are more opportunities beyond being active. You can spectate or volunteer at big events or become a student leader (fulfilling roles like Chair, sponsorship rep, equality rep or treasurer of a student sports club), adding experience to your CV. You can gain a sports coaching qualification at Bath and potentially use that to become a sports coach on our Team Bath Tribe programmes for local children or to pass on skills to other student members.

We also have vocational courses aimed at working in the health and fitness industry. You could also become an exercise buddy for other students who may find it valuable to take up a healthy activity but experience barriers to doing so.
