If you have lost an item please call: **01225 384418** or report to our Main Reception team.

We will happily respond to any inquiries and endeavour to get belongings back to their rightful owners.

Items will be kept for one month, after which ownership is transferred over to the University of Bath Department of Sports Development and Recreation (DSDR). High value items will be kept for two months.

All personal or sensitive data on items (such as phones or cameras) will be removed and securely destroyed. Items will then be either donated to charity, recycled, or anonymously sold at various auctions.

Should any money be gained from this it will be used to cover handling costs and then be fed back into DSDR sustainability and staff development projects.
